Massachusetts Association for Community Action
Creating Opportunity. Changing Lives. Ending Poverty.

Community Needs Assessments

*All Community Action Agencies in Massachusetts conduct formal, comprehensive Community Needs Assessments every three years to identify the urgent needs of low-income individuals in their communities and develop strategic plans that define strategies and services to meet those needs and strengthen communities. **In 2020, we are conducting assessments and developing updated strategic plans.***

Top Needs Identified Across the State in 2017

Housing

Community Action Agencies, along with MASSCAP, are working to create programs and partnerships as well as advocate for policies to meet these needs. We are at the forefront of providing vulnerable populations with innovative services that help move individuals and families to economic independence.

By employing thousands throughout the state, and by administering services whose funds create an important multiplier effect throughout communities, Community Action Agencies are important economic engines, especially in the Gateway cities of Massachusetts. CAAs help approximately 600,000 people in need each year.
